YOUR ADMISSION STATUS
You are responsible for ensuring that your Conditions of Admission are met. Read the Conditions of Admission page in your MyUCSC student portal to fully understand your obligations. Email admissions@ucsc.edu if you have questions. Failing to meet the conditions will result in cancellation of your admission.

As indicated in the Conditions of Admission, all official transcripts must be postmarked by July 1.

Admissions mailing address is: Office of Admissions - Hahn UC Santa Cruz 1156 High Street Santa Cruz, CA 95064

UNABLE TO ATTEND ORIENTATION
If you are unable to attend, you may enroll in classes beginning August 1st after Summer Orientation. See the Schedule of Classes for details and instructions.

CruzID AND E-MAIL ACCOUNT
All students have a CruzID and UCSC e-mail account. The CruzID is part of your e-mail address, for example, cruzid@ucsc.edu. In addition to e-mail, a CruzID account gives you access to many campus systems and applications.

Every UCSC student is pre-assigned a CruzID account upon enrollment. To activate and change the initial password via the MyUCSC Portal go to https://cruzid.ucsc.edu/. All official UCSC communication is e-mailed to the UCSC e-mail address. Find more e-mail information at: http://its.ucsc.edu/email/

Blue and Gold Passwords
There are two types of passwords at UCSC named Gold and Blue. Your CruzID account is set up using a "Gold" password, a more secure password that is used for certain campuswide systems, such as MyUCSC (student portal). However, your UCSC e-mail account -- as well as other important systems like Student Housing Online -- will use a different password called the "Blue" password. More password and account information at: http://its.ucsc.edu/accounts/passwords.html

If you need technical support, contact ITS
If you need technical support including computer assistance, accounts, and password help, you can contact the ITS Support Center, Monday-Friday, 8am-5pm (PST) at (831) 459-4357, help@ucsc.edu or http://itrequest.ucsc.edu.
